

## ENTERPHONE PROGRAMMING REQUEST FORM

Each owner is required to fill out the following form detailing the information you would like to have programmed into the Enterphone.

Date: \_\_\_\_\_

Owner Name: \_\_\_\_\_

Unit # \_\_\_\_\_

Home Phone: \_\_\_\_\_

Cell Phone: \_\_\_\_\_

Email Address: \_\_\_\_\_

Name to appear on the Enterphone Panel: \_\_\_\_\_

Enterphone Access Number: \_\_\_\_\_

Please check one: Cell \_\_\_\_\_ Land Line \_\_\_\_\_ VOIP \_\_\_\_\_

**(Note:** In order to allow people to call your unit from the Enterphone, you must have an active phone number. This will be your Enterphone Access Number that the Enterphone dials when someone enters your code into the Enterphone keypad. It can be a land line, cell phone, or VOIP number.

If you are using a Shaw VOIP line as your Enterphone Access Number, please Instruct Shaw to install the correct filter on the line so your VOIP phone can communicate with the Enterphone.)

**PLEASE FAX THIS COMPLETED FORM TO  
WARRINGTON PCI MANAGEMENT AT: 604-688-2328**
